SMUD supports Title 24, Part 6 Development

- SMUD has supported Codes and Standards since 2009
 - To continue for the foreseeable future
- A very important and effective way to achieve the Energy Efficiency that California needs.
- Anticipated to be our best EE program.
- Thanks to Energy Solutions and the entire Statewide Utility Codes and Standards Team

Hear and Be Heard!

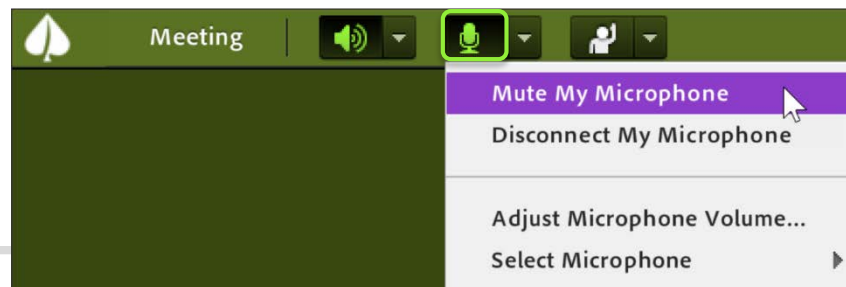

- Click the phone icon at the top of your screen, then follow the prompts

- If you connect via phone, mute your PC speakers to avoid feedback

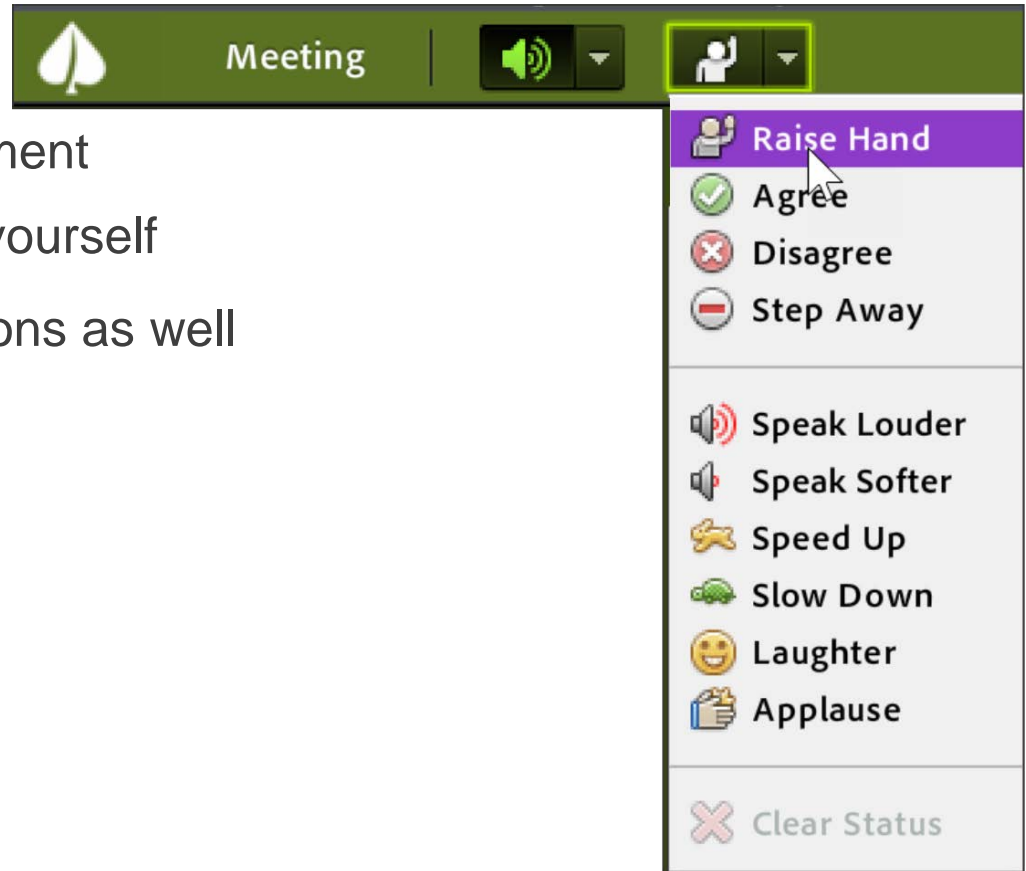

- Mute your phone or microphone to avoid contributing unwanted background noise — unmute yourself when you want to talk

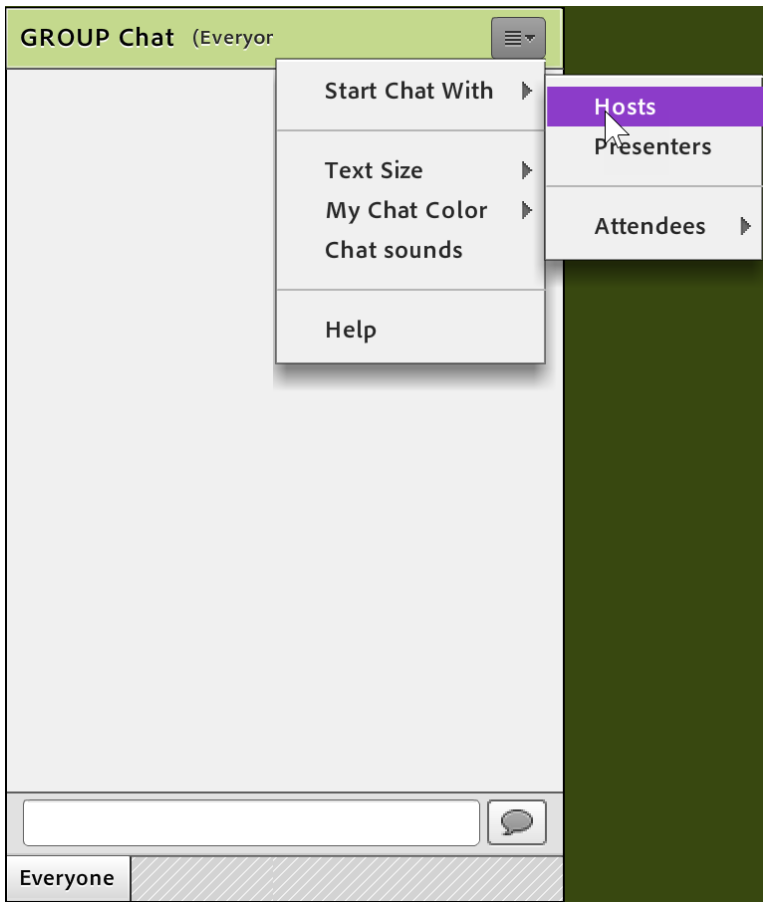

Communicate with Icons

- Raise your hand
 - We'll call on you in a moment
 - Don't forget to “unmute” yourself
- Feel free to use the other icons as well

Technical Support for the Meeting Room

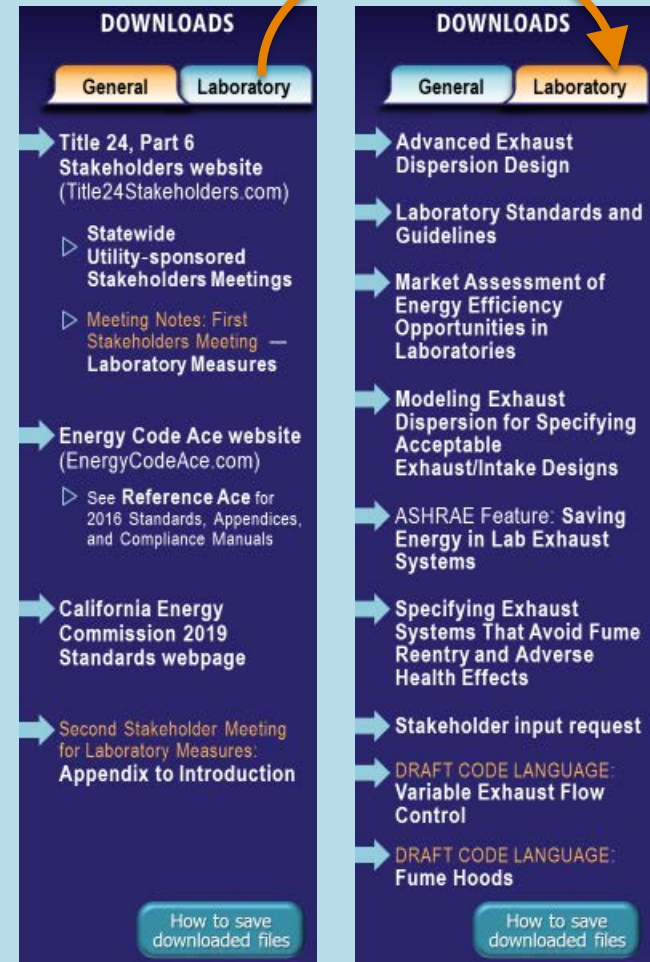

Tech support is standing by

- Use “Chat” (lower left of your screen)
- Direct your question or comment to “Hosts”
- Give us a moment to chat back

Supporting Resources
